B01-BLAIR

sydney

Sydney is a nymph, a total sexual tigress in the bedroom. She loves cock, craves it and can't never get enough of it. She dreams about it at night and spends her days looking for hot, young guys to fuck or playing with her collection of toys. The only cock she wasn't getting any action from was her boyfriend's. The 19 year old hadn't seen a problem at the start of their relationship, but now her bf just couldn't keep up with her needs. It had been a few days since she had been banged hard and fast, so she decided to take matters into her own feet while her bf was away.

BAD GIRLS GET PRESENTS TOO? WE WONDER WHAT KIND OF PRESENTS THEY WANT?

Just as the horny vixen was slowly sliding her fingers into her warm, inviting pussy, her tutor walked in looking for her, ready to start their work out. Having just started her own exercise routine, the gorgeous girl wasn't going anywhere. And the trainer was going to help her work her favorite muscles. Her boobs bouncing up and down like crazy and flying every which way, Sydney rode his cock like an animal. The neglected girlfriend begged for it in every position until she could barely keep up with his thrusts. Her pussy was spasming and she was moaning and panting. This was the best exercise ever.

lily

Newbie Lily is young, fit and a total firecracker when she's in front of the camera. She was feeling horny as hell and her hands and pussy were already in the mood by the time the photographer's assistant had set up. Sticking her butt out into the pose requested, the tiny blonde dropped her clothes one by one. Her breasts were so cute and her butt smooth and tight. Her little pink pussy had the sexiest look and smell. While she was playing it up for the camera, cooing and moaning as she pulled out her little pink toy and began to pleasure herself with it.

I WAS A REALLY BIG GEEK IN HIGH SCHOOL. I'M SO GLAD THOSE DAYS ARE OVER!

And she's not doing it just for the camera. Taking a break so the camera can be reset, Lily backs herself into the corner of the sofa and continues to play with herself. Apparently she wants to get that vibe as wet as possible. Ready again, the photographer asks her to get on her knees and push that sweet little butt into the air. Immediately she does and in goes the vibe once again. The crew had positioned themselves all around to get good views of the action. Her sweet face contorts in pleasure and joy as the sensations build up within, and minutes later she cums all over her toy.

BLAIR-NTS-03

FELLATIOLOGISTS

One of the questions we get most of here (other than 'Is there a way to help my wife enjoy anal sex?') is 'Are there ways to help my wife enjoy performing oral sex on me?' Needless to say, men love getting head, women do not (with apologies to you women who actually like giving head!) seem to enjoy giving it as much as men want it. For the focus of this article, we won't be discussing women getting head. That'll be for another day – okay?

As far too many relationships that last for more than a few months, women seem to lose interest in giving blow jobs as time goes on. Are they confident that they've 'hooked' their man and he'll stay as on as the frequency of giving head diminishes? Does the familiarity with the partner or the repetitious acts of sex get so mundane that oral sex is no longer in the lady's repertoire? We've sampled a few typical letters from readers about the subject. Please have some empathy for these men.

Inadequacy – After ten years of being with my man, I still sometimes wonder if I'm doing a good job. It's common for us to be critical of ourselves. I decided early on in my relationship that if I was going to be with this man for a long time, I needed to rise above my hesitations and least try to learn about giving good oral sex to my husband. Start out slowly; by just kissing and licking his penis. Have him show you how and where he wants and likes it. Ask him where it is most sensitive. If you get uncomfortable and want to stop, then stop, but don't back away. You don't necessarily have to take his entire penis into your mouth. Take what your comfortable with. Guys, you need to tell your woman what you like; what feels good; and how you want it. Tell her at the time or make it sweet pillow talk. They both work. Opening up good lines of sexual communication can go a lot farther to enhance your sex life than that earth shattering climax we all hear about. A climax is once (or more for you lucky ones) but good communication is forever.

by Naomi - fellating for ten happy years

Sanitary – I can understand what a turn off it is if you go down on your man and it smells or smells bad. The pubic area is indeed a place where odors multiply quickly, for each sex, and unless you're into the musk of it, then you'll probably be turned off. It isn't uncommon to think that the penis is full of germs, but it's really not. Or at least not the way you may think. It can get sweaty down there and smelly down there and unless it is kept clean, it will accumulate unpleasant odor. We women have the same problems and wouldn't want your man to go down on you after you've been wearing panty-hose all day, or just after your period, or even our own personal female bathroom habits.

I truly believe that any two people in a sexual relationship understand the importance of cleanliness and have their own rules and tolerations about keeping it clean down there. Except for the occasional (and usually rare) instance where spontaneous sex is involved, most sexual liaisons are 'planned.' That is not to say that spontane-

◆ When my wife and I married five years ago, we had a lot of mutual oral sex between us and she seemed to truly enjoy it. Then, after a little over a year into the marriage, she said that she didn't enjoy giving head anymore although she did, and still does, still enjoy receiving it. We talked about it and she readily admitted that she only led me to believe she enjoyed it because she was afraid I'd leave her. Four years later and I haven't left her, but I do miss receiving head. What's up? What can I/we do?

◆ Hi guys, I'm a man with a high libido and love giving and receiving oral sex. Or that is, I still think I do, because my wife has all but stopped over the last several months and we've only been married a year. She had our baby and now doesn't have time, energy or interest in trying anything new or even a blow job, quick or not. I'm going crazy and I'm thinking of a hooker or cheating to get some.

◆ My lady has stopped fellating me. Not altogether, but it's a constant battle to have her go down on me. She says its the smell and thought that urine and semen come from there. I keep very clean, but she still likes to use that argument, and as for the pee hole, that's the way nature made us. I think there are some deep-rooted problems but she insists there are not. Every other guy can get his cock sucked. Why can't I?

ity is lost, but even then there is an inkling something may happen and the parties are prepared for it. It is the random sex after meeting someone at a bar, or some other type of fling that pubic odors can be unpleasant or a turn off. But if this is your major issue while in a relationship, then it can easily be overcome by a shower! If you are worried that your darling husband isn't getting his stuff squeaky clean down there, then shower with him and offer to help him out! Besides, the shower ranks right up there with the bedroom and the kitchen as one of the best places to have sex. Even better than the bathtub, because the water just sits there.

by Lillie - likes 'em squeaky clean

Semen – This issue is a relatively easy issue to deal with! Some of women don't want to give oral sex their man because they don't want to have to taste his ejaculate, or like the taste of it. You don't have to taste it, if you don't want to. Suppose you are giving head and he's ready to cum. He knows when he's ready and most women can tell also (assuming he's not going to fake it). If you can't tell when he's getting close, you can always work out a signal between you two for him to let you know that he is getting ready to cum. Have him tell you, have him tap you somewhere, or ask him to pull out before he does. Then he can finish himself, or you can help him cum with your hand(s). Maybe between the two of you, you can figure out more inventive ways for him to cum. If you two work out a signal and it's not honored or ignored, he should realize that could spell trouble. You're trusting him. But if it's unintentional and happens in the throes of passion, have a little compassion for the situation and let it happen without getting vindictive. It is a momentary thing that can easily be washed away.

by Madelaine - who spits rather than swallows

Gagging – If you have a gag reflex then that's something both of you will probably have to work at to overcome it. It's a natural reaction and needs to be dealt with in a manner that is both physical and emotional. It's easy to say that practice will help you overcome gagging, but unless you are really dedicated to taking it all down your throat, you probably won't practice enough to not gag when the time is at hand. You can get coaching from your girlfriends of you are so inclined. You can practice on your favorite fruit or vegetable, or (best of all) practice on your man.

I'm sure he will be more than willing to help and will be a willing partner anytime you are so inclined. In addressing the issue of size, well that again is relative. How big is he, how big is your mouth. If a man is over, say, seven inches when fully erect, then he's a mouthful if you are trying to swallow all of him, and it may take time to get it down (pun intended). If it's the girth that's the concern, that can be a real problem because it's a real mouthful and may be difficult to accommodate no matter how committed you are. Please keep in mind that almost all men will be thankful that your sucking their cock. They don't really expect you to deep throat them. They're more than happy to have willie get some oral attention so there's really no need to make an issue of it.

by Serena - who gags no more

michelle & jada

Jada is very angry but you can't tell by looking at her. Michelle today is Jada's personal sex servant. She snuck out of the dungeon last night and fucked some random dude in the bathroom of a rave club. We say naughty, naughty, Michelle! You know you're not supposed to cum unless Jada gives you her permission. And with a guy, no less! Yuck! Now you must be punished for your insurrection. Jada is going to wash the taste of cock out of your mouth.

WHAT THE HELL'S GOING ON?

She's gonna grind her wet snatch against your face, and fuck you senseless with a giant purple dildo. Lick it clean, like a good girl, Michelle. Jada is doing this for your own good! And her own good because she wants the other end of the double dong inside of her pussy. She wants both ends inside of her and Michelle. And she will get it. And then, after all the donging, they'll get down to more lady licking business on each other's soft, wet pussies.

piper

Piper was ready to start a new career. After quitting her job over a year ago, and with the support of her family, she went back to school to learn how to be a fashion designer. But it wasn't clothes she wanted to design, it was sexy underwear. She thought she could really bring something new to the market and make lots of money with her sexy, colorful designs. With graduation only a month away, she was determined to finish at the top of her class so she could get the award money, which would help make her dreams a reality.

TWO CLASSMATES MAKE THE MOST OF STUDYING EACH OTHER'S SEXY BODY PARTS.

Kelsey

The only thing she could think of was to show off some of her fave undies to her bff Kelsey. And, more importantly, to show her how great all of her designs were for young bodies like theirs. Piper was most proud of how easily her undies slipped off. The petite beauty pushed her inviting booty up in the air and wiggled it slowly so Kelsey couldn't refuse an invitation like that. Using all her pussy tricks, the vixen was working hard for extra credit. Her hot mouth made Kelsey cum, and then she returned all the favors.

alexis

How many times have you seen or dreamt of a girl and wish you could see her naked? Almost every day we bet. Well that's exactly how we felt when we got Alexis in front of our cameras. This raunchy little hottie flashed her way into our hearts! With every little unzip and tug of her clothing, this attention craving, cock teaser showed us everything we needed to see: her tits, her ass and pussy, of course!

WE ALL WANTED TO FUCK ALEXIS AT ONE TIME OR ANOTHER, AND WHY NOT! LOOK!

But it wasn't just the fact that she was so willing to shed her clothes that make her so exciting, it was her sexuality charged personality that really pushed her over the edge with us. Plus the fact that she said she'd fuck everyone in the crew and house after we were done. (Just kidding, she said) That puts her at the top of our new favorites list. After the shoot, she told us to express her appreciation to all that image her without clothes. Thank heaven for willing, sexy little hotties!

going down at the local bar

Even though I'm a college student, something happened that I just got to write and tell you about it. My buddy Jeffrey and I (I'm Vince) are Vikings. That's Southern Texas State College for the uninitiated. We like to have fun and get as much nookie as possible before we have to settle down into jobs and careers. Don't you?

We heard of a new bar that opened up not too far from campus so we headed down there one Friday afternoon after classes finished. When we walked in, we noticed it was like a Hooters rip-off with a little sluttier looking waitresses and outfits. But when we sat down, the waitresses didn't look so bad. Our hopes were high as we hoped they would be.

The name on the badge of our server said 'Sparki." Cute name, we thought. I ordered bourbon on ice and Jeffrey had a beer. Sparki took the order in her red vinyl bikini top and a red mini-miniskirt that barely covered her buttcheecks. Her top was tight and low, showing off her big boobs. We couldn't help but stare at her chest as she was coming back to out table with the drinks. When she placed them down, she leaned over and one boob almost fell out of her bikini top. She knew we got a good look at her enormous breasts. Walking away, we saw her cotton panties had crept higher and tighter into her ass crack revealing more ass than panty.

The bar was okay. There were these private booths along one side, pool tables and, what they called a 'music center' next to it with a DJ booth. We decided to head for a booth so we could scope out the room and watch who came in.

Another waitress served us at the booth. Her name was Farrah and her boobs were even bigger and badder than Sparki's. Jeff and I looked at her and she flirted right back. As she left the booth area she pointed out that the curtains on either side could be

> **Her name was Farrah and her boobs were even bigger and badder than Sparki's. Jeff and I looked at her and she flirted right back.**

drawn for privacy if we wanted. We looked and said, 'No, we were fine.' She said it was set up that way for people who wanted to make out could do so in privacy. But there was a five minute limit on low long they could be closed. We asked who timed it and she said the waitresses had to. Cool idea, we thought. Next time we'll bring some chicks and test it out. That'd be fun.

So a couple hours had passed and we put down over $100 in booze. The place filled up a little more but was still only half full. It was pushing 11 pm and we were debating leaving when Farrah came by with our last drink. We invited her to come sit with us and she said she'd consider it since her shift was ending at 11. We suggested she come back with her own drink that we'd pay for and just sit with us and tell us more about herself and the bar.

About five after 11 she showed up, still in her work clothes. Her boobs shouted out to be motorboated and her fine figure sat right down between us. After several minutes of lame conversation and some verbal sloppiness thrown in for good measure, we ask her is she'll consider fooling around with us behind the curtain. She says 'no' at first but we pull out a couple hundred between us and laid it down. "We could order some more drinks." I say with a wink. She laughs and adjusts her top so more cleavage shows. I pull out my last fifty and throw it down. "Will you put on a little show for us?" I ask. Jeffrey pulls the curtain shut and she stands up and begins to gyrate. She pulls her top up releasing her beautiful boobs in the dim light. She shakes and fondles them, paying nice attention to her nipples. Then she takes one breast and brings it up her mouth and licks her nips. Then does the same to the other one. While she's licking the second nip, I move in and lick the free boob. She pulls away a little, but relaxes and lets me continue. Seeing his chance, Jeff does the same to the other one. Stereo boob lickers. Cool.

After a couple more minutes, Farrah stands up saying she should leave. Jeffrey grabs the curtain and holds it shut. "Please don't leave, we want some action." Farrah was surprised. She wanted it alright, but didn't want it now. She knew she couldn't talk us out of it, so she relented and relaxed. She reached for his crotch, and he understood. Unzipping his jeans, he brought his man-hood out, which was at least 8 inches long. Farrah's eyes widened. How is she going to fit all that man sausage into her tiny holes!

He turns her body on the table so he can enter her. Jeff pulls her little skirt up and pulls her panties aside, showing her shaven pussy, wet and ready. He opens her legs and pulls her knees up and shoves his big cock into her. I am working her boobs, massaging them like fluffy pillows and pinching her nipples to get even harder. In and out he pumped with a hand over her mouth to squelch her moans. He was about to cum, and she was too. She climaxed first, her pussy clamping down on his dick. He struggled to pull it out, but did at the last second and when his jizz squirted out, he aimed at her mouth. Farrah opened wide, swallowing and then sat up to clean his member off. "Let me fuck your boobies." he said as he sat her up and positioned himself between them.

He grabbed them and pushed them onto his cock, rocking back and forth. Every time he pumped forward, Farrah tried to reach his cock with her tongue. The two were nearing to a climax again when suddenly someone opened the curtain. "I thought you were gonna wait for me?" It was Sparki saying it to Farrah. Her shift must have ended at 11 also. "Come on in, Vince needs some company, too." That was good timing because I was starting to get a little jealous.

Sparki pushes me deeper into the booth and sits next to me. Immediately

her hand unzips my pants to find my member already dangerously close to exploding. She grabs my cock and starts to stroke it up and down. Feeling cramped, I stop her and get on my knees on the booth seat, putting my cock at mouth level for Sparki. She eagerly starts to suck me off. Her tongue swirls around the head and her left land strokes the shaft while the fingers of her right hand take my balls and plays them like a pair of dice in a hot gambling hall.

I pull her head in tighter and fuck her mouth. My cock's not as big and Jeffrey's so I can fuck her mouth comfortably for the both of us. I reach both hands down and grab her boobs, kneading them like dough. She grabs my buttcheeks and pulls me deeper into her mouth I can feel her tongue swirling around my shaft in her mouth. Her head pulls back and she pushes my cock straight up. Her tongue attacks my balls with soft wetness and saliva, then takes first one then the other into her mouth and does her tongue swirling thing to them. I hope I've painted a good picture of what's going on because it's about to get a whole lot crazier.

Farrah shimmies across the table putting her face closer to Sparki and me. Sparki breaks away from my bj and gets up on the table to sixty-nine Farrah from the top. These two girls are putting on a show for us right there, inches away from us. I stick my fingers into Sparki's pussy as Farrah licks her. Jeff positions himself and sticks his cock between Farrah's pussy and Sparki's mouth, fucking them sideways. Sparki obliges and sucks him while fingering Farrah's pussy.

I get closer to the table and stick my cock into Sparki's soaking wet pussy as Farrah reaches for my balls. I pull out and Farrah pulls my cock into her mouth and sucks all of Sparki's pussy juices from it, then sticks it back in. And pulls it out, licks it clean and sticks it back in. Three more times and I cum.

Farrah takes it in her mouth and swallows it easily. On the other side of the table, Jeff pops again and Sparki takes that one in her mouth, sucking and milking him hard to get every drop out of him. He and I plop back down on the seat as the two girls finish each other off. Suddenly there was a muted applause coming from the other side of the curtains. I look up and see eyes peeping through the edge of the curtains on either side.

Our secret's out, I thought and stuffed myself back into may pants and left the booth. Once back in the bar, I saw that the television sets around the place had been showing our little indiscretion. The two girls were still on camera moaning and cumming. I watch on one of the sets as another round of applause happens. I notice that there are low light images and greenish night vision images on different sets. One set was still showing the a basketball game.

The two girls finally get themselves together, pull the curtains back, and exit the booth with Jeff right behind them. More applause, fist pumps and woof-woofs break out and the three take a bow. I was shocked but very amused at what just went down. We thanked the girls, bought them another round of drinks and left the bar with huge grins and enough stories for a month. As we walked out the manager came over and told us not to say anything if we wanted to return. That way the show could go on.

We agreed and have gone back every weekend to watch others get into the same situation. We are sometimes audience, sometimes participants. Either way we are having the time of our lives!!!

dena

Dena is every guy's wet dream. "I like guys and chicks. There's such a diff when it comes to sex when you're with a guy or a chick. I find that most guys are rougher and tend to do want to do things faster. Chicks like to take their time and really get into it. But Byron is a darling fuck. Probably because he's does it so much, he's more aware of what women want. Of course the pace of a video shoot tends to slow down the sex, but when the action starts it's full dick ahead.

I HAVE A VERY HIGH SEX DRIVE AND ALL OF MY PARTNERS LOVE IT. I HOPE IT LASTS!

When I first fucked him years ago, he felt so huge in my pussy. I had never been with anyone as big as him, but over the years and many good fucks later, he doesn't seem as large, but he's just as good. One of my faves. I'm not a newbie any more, but I still love to fuck. It's amazing that human nature keeps us forever horny, no matter how many times we've done the dirty deed. But enough philosophizing. Byron get over here, I feel like sucking some dick. Is yours ready, because I am? Then you're going to shove it in my pink pussy as far as that huge thing will go. Let's do it, dude!"

bliss

She didn't want to be married. She was only 19, and had the sex drive of a wild woman. No man could keep up with her, and one man definitely wasn't enough to satisfy her needy pussy. But her wealthy parents didn't want her to get herself into trouble and ruin her reputation, so they set her up. Soon after her 19th birthday, her parents gave her a choice: she could marry the older man who was rich, or they would disown her, leaving her with nothing. She couldn't even think what it would be like to have nothing, so she reluctantly agreed to get married to him.

I WASN'T GOING TO DO THIS SCENE BUT THE SIGHT OF A BIG COCK CHANGED MY MIND!

After she did she found that her husband wasn't all that bad. But he wasn't adventurous enough for her. Bliss knew she couldn't deny herself anymore. She was faithful for four months and would go crazy if she stayed faithful any longer. The next morning, a hunky repair man knocked at her door. Before he even had his tools out, the little vixen was rolling around on the bed showing off her yummy goods to him. He found her so tight that every pump of her pussy made the stranger scream. No matter how many positions they did, her pussy needed more. It wasn't letting go of the hard cock until the afternoon was over.
